Our 2015 Legacy Oaks is a classically proportioned, utterly beautiful Napa Valley Cabernet Sauvignon. There's a ton of gorgeous stuff going on in this wine, and it's all woven together with exceptional balance and fascinating complexity. A deep, concentrated core of ripe raspberries, fresh cranberries, bright cherries, and spicy red and black currants intertwines seamlessly with charming notes of lavender and spring flowers, a charismatic hint of eucalyptus, and lovely highlights of summer vineyard dust, baking spices, and crushed gravel. Substantial natural acidity from the vineyard gives the flavors a gloriously vibrant, mouth-watering quality, and exquisitely polished tannins carry an elegant finish that seems almost endless. We look forward to many wonderful years of sharing this delicious manifestation of our dream with the friends and family we love.
