Alc. 13.5% by volume  
pH: 3.32  
TA: 6.7 g/L  
Cases produced: 111

The release of our 2019 “Affection Connection” Sauvignon blanc is a wonderfully joyous, extremely exciting moment for us. This very special bottling is the first white wine we’ve ever produced, and we couldn’t be more thrilled to share it with the beloved friends and family who inspired its creation. This is bright, vibrant, mouth-wateringly delicious stuff, conveyed with a sense of seriousness and gravitas that we’ve only ever experienced in vastly more expensive bottlings. Its complex aromas and flavors are in perfect harmony, with a lively core of fresh lemons, lemon zest, and delicate citrus blossoms that expands to offer ethereal hints of white flowers, white peaches, fresh nectarines, barely-ripe apricots, and an elegant flourish of sophisticated oak spice. The finish here is beautifully refined and precise and delicious, with brilliant energy and an exquisite, fascinating minerality that’s intensely reminiscent of crushed rocks. We are elated to be able to enjoy and celebrate the affection connections we so deeply cherish with this special creation!
